Communication

Effective Communications

Communication can only be effective if it is received and understood by the recipient. For each person certain communication strategies are more effective than others. This section identifies some of the key strategies which will lead to effective communication with Jo . Identify the most important statements and make them available to colleagues.

Strategies for communicating

- Respect her position.
- Let her know the unique contribution she is making.
- Use humour in moderation.
- Take things one step at a time.
- Prepare thoroughly, and plan to explain every feature of your proposition.
- Be thorough, organised and on time.
- Avoid precipitating rare but spontaneous outbursts of emotion.
- Go prepared to get straight down to business.
- Use logical and rational questions and arguments.
- Recognise her intellectual effort and commitment.
- Give her time to express herself.
- Give her time to reflect inwardly.
